

# Lee & Collier County Fire Marshals Associations 501C 5<sup>th</sup> Annual Clay Shoot

Become a sponsor at <https://bit.ly/LCFMASponsor>

**Thousands to see the social media, website and radio advertising!**

Our 5<sup>th</sup> Annual Clay Shoot, which benefits both the Lee and Collier County Fire Marshal's Associations (both 501C agencies), is heating up. Both agencies work diligently to keep business owners, occupants and residents free of fire and hazards. We never want a business or residence to close, or be displaced, due to a fire. We work tirelessly to keep our residents, guests and firefighters safe. Can you help us achieve these goals?

As we gear up for this event, we are reaching out to individuals and corporations who can help us achieve success in our goals and missions. We work to bring education and prevention through many mechanisms. County wide safety trailer training kids' events allow the trailer to be taken throughout Lee County to educate the public and children in fire safety as they navigate the house. Classes teach members and non-members a range of subjects throughout the year including topics such as fire sprinklers, fire alarms, fire pumps, fire stopping, fire walls, building construction, and others. Side by side burn displays (contractor sponsored) demonstrate to the public what fire can do and how sprinkler systems save lives during Fire Marshals events.
