Required Submissions by 9-20-2023

- Nomination form.
- A letter from a peer, supervisor or other party (member of the public, board member, contractor, etc.) which explains why this individual was nominated.
- Nominees resume. If resume is not possible, a detailed description of their history in the fire service/industry field, education, achievements, etc.
- Additional supporting information will greatly improve the nominee's chances of winning. Such information can include letters of support from peers, chiefs, contractors, and etc., news articles, other awards the recipient has won, programs recipient created, managed, etc. Please feel free to include any other information that you, the nominator, feel would assist the selection committee in determining award recipient as the individuals on the committee may not be familiar with the nominee.
- Scan information in one packet and email to info@lcfma.com no later than **Wednesday September 20, 2023**. The committee will make a decision and the winner will be announced at the October or November meeting. If you have any questions, email the above email address and a board member will contact you.
- Any packet submitted without the required information will not be processed
